## For Immediate Release

## **Roto Tuff Roto Molded Military Cases Now Available from Philly Case**

*Philly Case now offers a new line of Roto Tuff Roto Molded Military Cases for shipping, carrying and storing military equipment. These roto molded military grade equipment cases are made in the USA and augment Philly Case's custom ATA Cases for military applications and extensive catalog of gun, rifle and weapons cases featured at <http://www.phillycase.com/content/military-cases>.*

Philadelphia, PA (PRWEB) June 5, 2014 – Philly Case announces its new line of [Roto Tuff Military Cases](#). Roto molded of tough polyethylene, these military grade cases are watertight and airtight with pressure relief valve, perfect for shipping, carrying and storing military equipment.

Manufactured in the USA, Roto Tuff cases are ATA 300 rated and meet many military specifications and federal standards, including 810F MIL-SPEC. These roto molded military cases are available in a variety of sizes and colors, with various options like custom foam inserts, casters, lid stays and card holder bracket. All Roto Tuff cases are available in 11 standard colors: black, blue, dark grey, desert tan, light grey, natural, OD (olive drab) green, orange, red, white, and yellow.

Philly Case offers over 75 different styles and sizes of Roto Tuff military equipment cases. These roto molded military grade cases augment Philly Case's extensive line of cases for military applications, including custom wooden ATA cases, injection molded transit cases, rackmount cases and aluminum cases.

"For military applications where toughness and durability are critical, our Roto Tuff line of military cases can't be beat," said Vinny Barbati, President of Philly Case Company. "Call Philly Case to customize and purchase these top quality roto molded cases."

Philly Case's online catalog of roto molded military cases allows customers to easily browse [the entire line of Roto Tuff Military Cases online](#), check sizes and options, then call to ask questions and purchase these cases (1-800-505-8179 or 215-551-6811). Philly Case military case product experts are available to help customers select the right case for their application.

## **About Philly Case**

Philly Case is one of the world's leading shipping case manufacturers and distributors. Philly Case specializes in cases that are tough, reliable, and durable. In addition to Roto Tuff military cases, Philly Case makes and distributes a wide variety of shipping case products including ATA cases, tradeshow cases, poly cases, rackmount cases, flat screen cases, gun cases and tool cases.
