# Invitation

OMICS Group welcomes you to attend the **2<sup>nd</sup> International Conference and Exhibition on Mechanical & Aerospace Engineering** during **September 08-10, 2014 at Philadelphia, USA.**

*We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Mechanical and Aerospace Engineering.*

*Mech Aero-2014 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals.*

*This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.*

*The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.*

*The main theme of the conference is **“Surging into the future of Mechanical & Aerospace Engineering”**.*

*Regards,*

*Mech Aero-2014 Organizing Committee*

## About Us

### OMICS Group Journals

- 300 Open Access Journals
- 21 Day rapid review process
- 22000 Editorial team, 27000 Reviewers team
- 2.5 Million readers and high visibility
- More than 100000  fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

#### Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

### OMICS Group Conferences

- 80 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

#### Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

### Special Issues

All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by 

The field of Mechanical and Aerospace Engineering is growing rapidly and its development is making tremendous impacts in Engineering field. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

### **Mech Aero-2014**

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS Group Journals,
  - Journal of Aeronautics & Aerospace Engineering
  - Journal of Astrophysics & Aerospace Technology
  - Journal of Applied Mechanical Engineering
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging ideas
- Share your excitement in promoting Mechanical & Aerospace
- Conference brings together Scientific Researchers, Business Entrepreneurs in the field of Mechanical & Aerospace Engineering.

## About Philadelphia

Philadelphia is the largest city in the Commonwealth of Pennsylvania and the fifth-most-populous city in the United States. It is located in the Northeastern United States along the Delaware and Schuylkill rivers, and it is the only consolidated city-county in Pennsylvania. Popular nicknames for Philadelphia are Philly and The City of Brotherly Love. Philadelphia is the economic and cultural center of the Delaware Valley, home to 6 million people and the country's fifth-largest metropolitan area. In 1682, William Penn founded the city to serve as capital of Pennsylvania Colony. Philadelphia has shifted to an information and service-based economy. Financial activities account for the largest sector of the metro economy, and it is one of the largest health education and research centers in the United States. The city is also the nation's fourth-largest consumer media market, as ranked by the Nielsen Media Research. Philadelphia is known for its arts and culture. The cheese steak and soft pretzel are emblematic of Philadelphia cuisine, which is shaped by the city's ethnic mix. The city has more outdoor sculptures and murals than any other American city. Philadelphia's Fairmount Park is the largest landscaped urban park in the world. Summers are typically hot and muggy, fall and spring are generally mild, and winter is cold.

## Conference Details

### Venue

Philadelphia, USA

### Important Dates

Abstract submission opens: July 22, 2013

Registration opens: July 22, 2013

Early bird registration: May 28, 2014

On spot registration: September 08, 2014
