For Immediate Release

Leverage Health Solutions Announces Additional Industry Leaders Joining its Business Development Team

June 9, 2014, MT KISCO, NY – – [Leverage Health Solutions](#), (LHS), strategically aligning and growing its portfolio of healthcare service companies with healthcare payers and providers, today announced the further addition of experienced market professionals to its team.

LHS proudly announces Josh Holmes has joined its Business Development team as Vice President following a stellar career in health plan and provider facing services. Josh brings nearly 20 years of experience to LHS, working with companies such as Thomson Reuters, Healthcare Insight (a Verisk Analytics company), MedAvant Healthcare Solutions, WebMD and most recently as Senior Vice President of Sales for NaviNet.

“As Leverage Health continues to grow we are focused on aligning ourselves with top talent in areas such as Business Development, Strategy and Operations. Josh is an ideal example of our emphasis on our Business Development unit and we are excited to have him on the team. Josh will enable us to further drive our success and revenue acceleration on behalf of our portfolio of companies”, says Richard Lungen, Managing Member. “We have known Josh for many years and are excited to have him join the team.”
