

Groundbreaking New Community Now For Sale in Lake Elmo!

June 6, 2014

The Twin Cities' largest homebuilder is proud to announce Lake Elmo's newest and most prestigious community, Savona. Be a part of another great community by the Metro's number one builder for the eighth year in a row, Lennar! Savona will offer private, wooded homesites located in the Stillwater school district and within minutes of Woodbury Lakes shopping center, Oak Marsh golf course, and numerous other major retailers, including Target, Home Depot and Walmart. Conveniently located off of Keats Avenue and 5th Street, Savona will offer the private tranquility typical of Lake Elmo while remaining close to modern conveniences with easy access to I-94 and I-694 for city commuters. Savona is one of the last remaining sites of development in the area north of Woodbury – DO NOT miss out on this amazing opportunity!

With homes starting in mid \$300,000s, Lennar's Savona community boasts affordability. Savona is currently pre-selling Lennar's Landmark Collection of homes, with sizes ranging from 1,902 – 3,328 square feet, and offers eight different floor plans featuring both two-story and rambler-style homes. With a total of 96 Landmark Collection homesites, Savona guarantees to please!

Savona will also offer Lennar's Classic Collection of homes with an additional 93 Classic Collection homesites and two-story townhomes on 122 homesites in 2015. Lennar's townhomes offer the special experience of maintenance-free and worry-free living.

Savona is currently pre-selling from a sales trailer located on site at 401 Keats Avenue North. The sales office is currently open Saturdays and Sundays from 11:00am to 6:00pm. Visit us today!

Lennar is leading the way in new home construction by including exceptional designs, desirable upgrades, energy efficient features, and home automation in our "Everything's Included" packages. Lennar also implements quality assurance through every step of the home buying process and offers a wide variety of amenities throughout its communities to help the neighborhood thrive.
