TIAG Adds Another Top 100 U.S. Accounting Firm

*TIAG's North American expansion strategy
accelerates with the addition of Cohen & Company.*

St. Petersburg, Florida, USA (June 10, 2014) - The International Accounting Group® (TIAG®) has admitted Cohen & Company, a Top 75 U.S. accounting firm headquartered in Cleveland, Ohio, as its newest independent member firm. This addition continues a significant growth trend TIAG is experiencing as a result of its recent North American expansion strategy.

Other U.S. firms to recently join TIAG include: Berdon LLP, a U.S. Top 30 firm in New York; GALLINA LLP, a U.S. Top 100 firm headquartered in Northern California; Mallette, a Top 10 Canadian firm in Quebec; Pritchard, Bieler, Gruver & Willison, PC in the Philadelphia metro area; and Dorfman Abrams Music LLC in Northern New Jersey.

“In working with TIAG over the past few years in their expansion efforts, and even more recently as a presenter at their International Conference in Miami, I know firsthand the dynamic nature of the TIAG alliance,” said Allan Koltin, one of *Accounting Today's* “100 Most Influential People,” who worked with TIAG and Cohen & Company on this strategic move. “Both TIAG and Cohen & Company will benefit greatly from this relationship.”

“Our firm was founded on helping clients find new opportunities for their businesses,” said Randy Myeroff, CEO of Cohen & Company. “Joining TIAG not only provides new opportunities and resources for our clients as they expand their businesses nationally and around the globe, but, uniquely, also provides access to TAGLaw, a ‘sister’ alliance of highly respected law firms throughout the world. This will be a competitive advantage we can offer clients.”

“Adding a firm with the reputation of Cohen & Company is evidence of the value and strategic advantage TIAG provides to its members and their clients,” said Robert Sattin, President of TIAG. “More and more, we are hearing from firms who are looking for international relationships and who find that TIAG’s multidisciplinary approach, through our sister alliance TAGLaw, and high-caliber professional management are key differentiators in the marketplace. These are exciting times for TIAG and the TAG Alliances.”
