Focused on healthcare. Committed to your success.

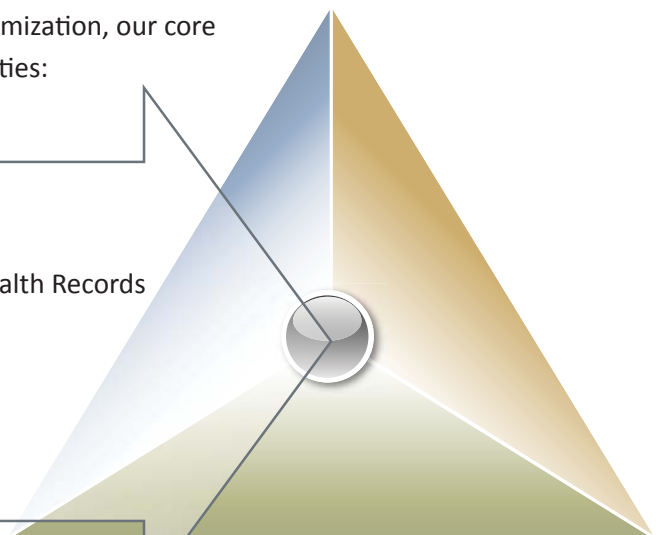

Aspen Advisors is a world-class professional services firm dedicated to helping healthcare delivery organizations enhance processes and streamline operations through the strategic and effective use of technology. We understand the complexities of operational processes, the vendor landscape, the political realities, and the importance of delivering projects successfully – the first time. Established in 2006, our hallmarks are top quality service and satisfied clients. We're proud of our KLAS rankings and that 100% of our clients are referenceable. For the last five consecutive years, we've ranked in the Top 5 in KLAS' "Best in KLAS Awards" report in the Planning and Assessment category. In 2012, Aspen was among the top three firms in the Overall Services Firms Ranking.

Solving your toughest healthcare IT challenges, one project at a time.

Our vision is a world with better healthcare. Our consultants are passionate about helping clients leverage the bold promise of technology toward that end. That's why we have a razor-sharp focus on helping you make progress toward the IHI's Triple Aim of better health, better healthcare, and lower per capita costs. From strategy to execution to optimization, our core services have been tailored to help address industry priorities:

INDUSTRY PRIORITIES:

- Reduce operating costs
- Implement and realize the full benefit of Electronic Health Records
- Transition from volume to value
- Harness the power of data and analytics
- Enable the connected community
- Position for the future of revenue cycle management

IHI's Triple Aim

Our Clients

Industry leaders. Game changers.

We work with industry leaders who are using technology to foster innovation, make meaningful change, and achieve the Triple Aim. We do not believe in standard industry answers, knowing that solutions specific to each client's environment yield the greatest value. Our client list includes the following healthcare organizations:

“Client-focused.
Industry-grounded.
Straight-shooting.
Ego-free. That’s
Aspen Advisors.”

— Jim Turnbull, CIO
