MS Orbital Royal Esadora

Introduction

The Orbital Royal Esadora (also known as Royal Esadora/Esadora II) is a modern, fresh and funky 5* Nile cruise boat. The boat was launched in March 2006 and renovated in 2009 with excellent facilities enabling you to enjoy the very best that the Nile has to offer. There are large public areas and a good range of facilities on board, including the sundeck with bar, large swimming pool and Jacuzzi. There are two restaurants on board, one being a buffet style with international cuisine, and the other being slightly smaller offering an à la carte menu. The large modern lounge bar with panoramic views allows you to admire the beauty of Egypt and the Nile as you cruise.

The cruise is offered on a Full Board basis and an All Inclusive option is also available. The Orbital Royal Esadora sails on a Monday.

In our opinion: the Orbital Royal Esadora is a superb addition to our fleet of Nile cruise boats. With modern interiors, the boat feels light and airy with great opportunities to admire the unfolding scenery from the comfortable sundeck.

Facilities

- Main restaurant serving buffet food
- A la carte restaurant (supplement applies)
- Air conditioned bar
- Lounge with dance floor
- Large Sun deck with bar and swimming pool
- Air conditioned massage room
- Boutique, beauty and gift shop
- Fitness equipment
- Laundry service
