Milestone Systems, Inc. Announces Organizational Changes

Minneapolis, MN, and Atlanta, GA June 24, 2014 - Milestone Systems, Inc., (Milestone Systems), the nation's fastest growing information security and infrastructure provider, has announced today several organizational changes effective July 1, 2014:

- John Hasty has been promoted to Director of Operations
- Tom Marsnik has been named Vice President of Engineering
- Brian Stevenson has been elevated to Vice President of Sales and Marketing

Mark Greer, President of Milestone Systems said, "Due to our unprecedented growth over the last twelve to sixteen months from our growing footprint throughout North America, with these promotions, we have better positioned ourselves to meet and exceed our customer expectations."

Greer continued, "Hasty will be responsible for providing leadership and ensure excellence in all aspects of Operations. Marsnik will continue to provide technical thought leadership in the marketplace. Stevenson will now bring leadership to the sales organization with the East, West, and Midwest reporting up to him."

Greer noted, "The cornerstones of our organization are our employees and customers. Whenever we can promote from within and recognize the efforts of our employees, as well as position Milestone Systems to better focus on our customers, we will take the necessary steps."
