Do you want GMOs labeled NOW?

Do you want your town to know about GMOs?

Do you want to have fun and march for freedom?

Join us in the **Moms Across America March** to Label GMOs at local July 4th Parades 2013!
Tell the nation "We want GMOs Labeled NOW!
Because WE SAID SO! Say Yes MAAM!"

Robyn O'Brien, Mom and author of *The UnHealthy Truth* said "It's the most patriotic thing you can do." We will march with our families and bang plates – it's Patriotism on a Plate!

This is our country, these are our children, and our right to know what is in the food we feed our families. Moms buy 85% of the food. It's up to us what sells! So if it's GMO, We're Not Buying It!

Go to **MomsAcrossAmerica.com** today and sign up to march! Together we can make July 4th a true celebration of TRUTH in labeling, JUSTICE for future generations and LIBERTY for ALL to choose to eat GMO free!

Sponsor Moms Across America and support Moms with GMO Free solutions in hometowns all across the nation.

We are a volunteer national coalition of unstoppable Moms.
