About Consumer Choice Award

Consumer Choice Award (CCA) was established in 1987 and is considered to be the most distinguished award for business excellence in Canada. This is the only organization in North America to recognize business excellence by conducting third party market research of both the consumer & business community with statistical accuracy. The research method determines all the service providers, ultimately selects the top ranked companies and establishes the winner within each industry.

Consumer Choice Award conducts its market research strictly with Leger Marketing, the leading Canadian-owned market research firm and member of the Worldwide Independent Network (WIN) of Market Researchers.

Consumer Choice Award lives in Calgary, Edmonton, Halifax, Hamilton, London, Montreal, Ottawa, Quebec City, Regina, Saskatoon, St. John's, Toronto, Vancouver and Winnipeg.
