

About the Consortium of Florida Education Foundations (CFEF)

The CFEF is the membership organization for Florida's local education foundations aligned with the state's 67 county-wide school districts. Established in 1987, the CFEF seeks to advance student achievement in Florida by increasing private-sector investment and involvement in public education. The CFEF now has 59 member foundations with 1,100 business and community leaders serving as volunteer board members. Collectively, they raise nearly \$60 million annually to support students, teachers and schools through a variety of programs. The CFEF has provided more than \$25 million to local education foundations since 2002 through various private and public sector partnerships, including the State of Florida School District Education Foundation Matching Grant Program.
