Nerium International is very excited to announce that best-selling author and healthy-lifestyle expert Marilyn Diamond is endorsing NeriumAD. Marilyn is a wellness guru and motivational speaker. She has authored several books, including *Fit for Life*, which sold more than 15 million copies. According to *Publishers Weekly*, it is one of the top 25 best-selling books of all time! Her new book, *Young for Life*, was recently released and has been met with great success.

Marilyn Joins the Nerium Family

Marilyn was so impressed with NeriumAD that she decided to represent the product as a Brand Partner. She believes in Nerium’s “Loving, Caring, Sharing” philosophy: “I have never experienced so much genius from the leaders of any company. It was phenomenal to witness how Nerium Brand Partners so enthusiastically support their great products.”

Since Marilyn has never endorsed a skincare product until now, we are glad to have her support exclusively behind us! “Beauty from the inside out has always been my focus. I have never found a skin cream of any kind that does what NeriumAD does for my skin. This product is awesome,” said Marilyn.

Resources to Grow your Business

It is always useful to show prospects a relevant endorsement to help validate our innovative products. Brand Partners are welcome to use official, Nerium-approved endorsements on social media and at Real Results Parties to leverage their business. Just make sure you include a link to your replicated site when posting these endorsements. That way, your social networks will easily be able to find more information that is linked to your account!

Feel free to also borrow Marilyn’s quotes from our materials and post them on your own Facebook, Pinterest, or any form of social media. These are great to share with friends, customers, and Preferred Customers. Look for these quotes in Nerium’s Marilyn Diamond marketing materials, the social media area in the “Business Resources” section of your Online Business Center, and on official Nerium social media sites.

Marilyn will be speaking about Nerium and our partnership on her book-signing tour and at Nerium events! Be sure to look for her and give her a warm, Nerium family welcome! We look forward to a long and successful partnership together!
