

FOR IMMEDIATE RELEASE

## Twin Cities Real Estate Group Recognized for 2013 Sales Success

*Monson & Larson Real Estate Group of Re/Max Results in Minnesota recognized as Top 1000 Sales Professionals nationwide and Top Team Volume in MN.*

*Plymouth, Minnesota – July 10, 2014 - The Monson & Larson Real Estate Group of Re/Max Results, a leading real estate group in the Minneapolis/St. Paul area, has been recognized as a national industry leader by REALTrends.com, in partnership with Trulia. Their progressive mix of cutting edge marketing strategy paired with over three decades of experience has ranked the group in the top ½% of all realtors in productivity and earned them numerous awards throughout the years.*

This month, Monson & Larson was ranked 200 in the “Top 1000 Sales Professionals” of 2013 by REAL Trends, a real estate consulting and communications company and leading source of real estate trends and analysis in residential real estate. The Monson & Larson team was also ranked #4 in Team Volume in Minnesota, with over \$84M in 2013 sales.

“We are very excited to be recognized for this accomplishment,” says co-owner and real estate agent Lane Larson. “Our team is one of the best, and we love what we do.”

### About The Monson & Larson Group

Owners and leading Minnesota realtors [Rob Monson](#) (left) & [Lane Larson](#) (right) have lead the [Monson & Larson Group](#) for over two decades, offering leading edge exposure for listings that ensure they’re sold more quickly and for more money. Both Rob and Lane have been recognized as “Super Agents” by Mpls/St. Paul Magazine, and have lead the group to rank as the #1 Re/Max Results team in Minnesota for four consecutive years. Communities served include Bloomington, Edina, Minnetonka, Maple Grove, Plymouth and surrounding cities.
