ROSEASP AWARDED 2014 MICROSOFT DYNAMICS PRESIDENT'S CLUB STATUS

RoseASP remains among the top five percent of Microsoft Dynamics Partners as part of the Microsoft Dynamics Presidents Club.

WASHINGTON, D.C. (July 17, 2014) RoseASP, Inc., a provider of [Hosted Microsoft Dynamics ERP](#) and CRM, was named to the 2014 Microsoft Dynamics President's Club, an honor reserved each year for the top 5-percent of Microsoft Dynamics partners worldwide, announced RoseASP Thursday.

President's Club members are honored for reaching key business milestones while maintaining a constant dedication to high levels of customer satisfaction. Club Members actively pursue the advancement of the entire Microsoft Dynamics Community by developing innovative solutions that drive Dynamics customers' business forward.

"Each year we recognize and honor Microsoft Dynamics partners from around the world for exemplary performance," said Neil Holloway, Corporate Vice President, Microsoft Business Solutions Sales & Partners. "The award-winning partners contribute to the ecosystem and customer businesses alike through their exceptional commitment and expertise. Microsoft is honored to recognize RoseASP for their achievements this past year and for their dedication and support of Microsoft Dynamics applications."

The recognition of Microsoft Dynamics 2014 President's Club members was announced during the Microsoft Worldwide Partner Conference (WPC) 2014, Microsoft's annual premier partner event, which was held this year in Washington, D.C. WPC provides Microsoft Corp.'s partner community with the opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills.

"Our commitment is to always bring the human touch to the digital world. To us that means delivering cloud hosted software solutions to our customers and partners with an emphasis on personal service to help improve their business processes and their user experience," said Linda Rose, Founder and CEO of RoseASP. "Receiving recognition from Microsoft for that commitment is extremely rewarding and we are very pleased to be able to extend to our partners and customers the assurance that we remain among the top partners in the Dynamics Community."
