

# Google Business View by ProFromGo

## Trusted Photographers Google Trained & Certified

- We are trained and certified to ensure high-quality results for your business.
- Photographers strive to create a custom experience; highlighting the unique aspects of your business.
- Photographers take care of all the work so you don't have to; final photos are uploaded directly to Google.

## Share with the World Easy for potential customers to find

- Images appear directly on Google search results
- Searchable on Google Maps and Google+ Local
- Prominently featured on your Google+ page
- Easy to embed on your website
- Link to share on social networks, blogs, emails and more!

## Attract More Customers An interactive and engaging experience

- Customers can take a panoramic virtual tour of your business – an online walk-through of your space.
- Street View navigation makes it easy and intuitive for customers to see your business before visiting.
- A great way to showcase your décor, ambiance and the unique qualities of your business.

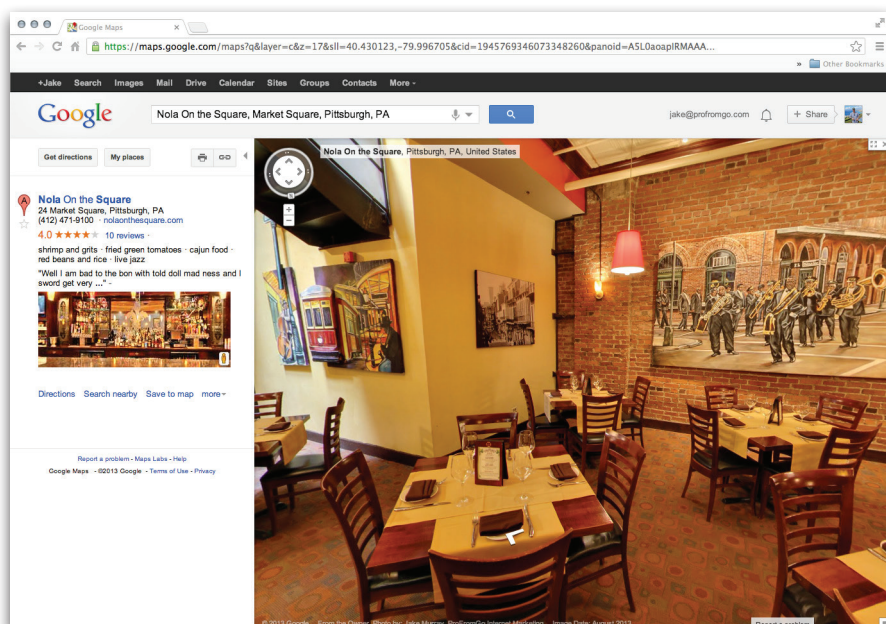

## How Can This Help My Business? Attract new customers online

- Enhance your business listing. Images appear on Google search results, Google+ Local and Google Maps.
- Engage with customers who can now explore, walk-through, and truly experience your business.
- Business Photos is a perfect addition to all businesses; including restaurants, retail shops, gyms, salons and more!
- Seasonal shoots are a great way to keep your business up-to-date and show your customers what's new.
