

Sellers' Compass™ Training: Campaigns That Create Customers

How much would sales grow if campaign engagement increased by 100%?

What is the impact if you knew exactly how to engage decisions makers?

How shorter would sales cycles be if campaigns drove customer decision points?

**“The Sellers’
Compass™ is so
powerful, I have
aligned my marketing,
sales and support
teams to
this approach to build
more enduring and
profitable customer
relationships.”**

Chief Revenue Officer,

In this fast-paced, highly interactive training, you will learn how to develop and execute multi-channel B2B demand generation and nurture campaigns. By aligning campaigns with customer decision journeys and knowing which calls-to-action to use, you can drive higher levels of campaign performance, lead conversion and customer interaction. From our work with Fortune 500 and SMB companies coupled with tools from the Sellers' Compass™, you'll learn:

- **Why your campaigns aren't performing and how to fix them** with a gap analysis tool that identifies root cause for low conversion rates.
- **Build multi-channel campaigns that accelerate our sales cycle** learning how to use customer decision journey to define waterfall campaigns.
- **Tools by working with your own or a real-world case study** in group and individual exercises.
- **How CTAs help customers achieve internal milestones** and how to use personalization to be contextually relevant across channels.
- **Get sales to act on your leads** and how to effectively help them follow-up on the marketing leads.

Included in each participant's course registration fee is 4 hours of check-ins and learning application coaching for 45 days following the completion of the course.
