Nothing connects us to a country more than its language. Speaking German can help you strengthen that connection while enhancing travel, education and business horizons. Established in 1978, the German School of Connecticut (GSC) – the only professional German Saturday School in the state – provides a high-quality German educational program for over 350 children and adults. At GSC, students at all levels learn German language along with German, Austrian and Swiss cultures Saturday mornings during the academic year.
