

# 2014 • USTA NORTHERN CALIFORNIA NJTL REGIONAL RALLY

This special annual NJTL celebration is a perfect opportunity for players to increase their tennis experience with on-court drills, games, and organized match play for every skill level.

Nearly 350 kids from the Bay Area, as far away as Monterey, Calif., filled San Francisco's Golden Gate Park Tennis Complex at the event last year.

This event is open to ALL children that are associated with a National Junior Tennis and Learning (NJTL) program in their community throughout all of Northern California.

Have a wonderful day making friends, enjoying the experience, and even possibly win some great prizes!

USTA NorCal staff will be on hand to identify players that show potential and speak with them about the possibility of taking their game to new heights.

All levels are invited; all you need is your racquet, water, and good sportsmanship!

*"I like meeting new kids and being around the cool tennis teachers.  
They make me want to play tennis more..."*

– Shuri, one of the kids in attendance last year.
