Invitation

OMICS Group welcomes you to attend the **5th World Congress on Bioavailability and Bioequivalence: Pharmaceutical R & D Summit** during September 29-October 01, 2014 at Baltimore, USA.

We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Nanotechnology.

BABE-2014 anticipates more than 300 participants around the globe with thought provoking Key-note lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

*The main theme of the conference is **"Innovative Approaches of BA/BE to Revolutionize Next Generation Medicine"**.*

Regards,

BABE-2014 Organizing Committee

About Us

OMICS Group Journals

- 300 Open Access Journals
- 21 Day rapid review process
- 22000 Editorial team, 27000 Reviewers team
- 2.5 Million readers and high visibility
- More than 100000  fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

OMICS Group Conferences

- 80 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Special Issues

All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by 

The field of Pharmaceuticals is growing rapidly and its development is making tremendous impacts in medical sciences and pharmaceuticals. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

BABE-2014

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS Group Journals,
 - Journal of Bioequivalence & Bioavailability
 - Journal of Bioanalysis & Biomedicine
 - Pharmaceutica Analytica Acta
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging ideas
- Share your excitement in promoting Health care, Clinical R & D
- Conference brings together Scientific Researchers, Business Entrepreneurs and Pharma, Biotech & Healthcare, Industry Developers

About Baltimore

Baltimore is the largest independent city in the United States and the largest city and cultural center of the U.S. state of Maryland. The city is located in central Maryland along the tidal portion of the Patapsco River, an arm of the Chesapeake Bay. Baltimore is sometimes referred to as Baltimore City in order to distinguish it from surrounding Baltimore County. Founded in 1729, Baltimore is a major U.S. Seaport and is situated closer to major Midwestern markets than any other major seaport on the East Coast. Baltimore's Inner Harbor was once the second leading port of entry for immigrants to the United States and a major manufacturing center. The harbor is now home to Harbor place, a shopping, entertainment, and tourist center, and the National Aquarium in Baltimore. After a decline in manufacturing, Baltimore shifted to a service-oriented economy. Johns Hopkins University and Johns Hopkins Hospital are now the city's largest employers.

Baltimore is divided officially into nine geographical regions: Northern, Northwestern, Northeastern, Western, Central, Eastern, Southern, Southwestern, and Southeastern, with each patrolled by a respective Baltimore Police Department district. However, it is common for locals to divide the city simply by East or West Baltimore, using Charles Street as a dividing line, and/or into North and South using Baltimore Street as a dividing line.

Conference Details

Venue

DoubleTree by Hilton Baltimore-BWI Airport
890 Elkridge Landing Rd., Linthicum Heights
MD 21090, Maryland, USA

Transport Facilities

Area Airport: Baltimore-WashingtonMarshall International Airport

Directions: to DoubleTree by Hilton Baltimore-BWI Airport

- Exit 195E/BWI Airport to Exit 1A (Rt.170 North). Continue to second light (Elm Rd.). Turn left at light onto Elm Road & left again onto Elkridge Landing Road. Hotel is a half mile on the left.

Baltimore/Washington International

Directions: Start out going northwest toward I-195 West. Turn left on Terminal Road. Turn left on Elkridge Landing Road. The hotel is on the left.

Distance from Hotel: 2 mi.

Travel Time: 5 min.
