

# OSHwiki

**Connecting the occupational safety and health community**

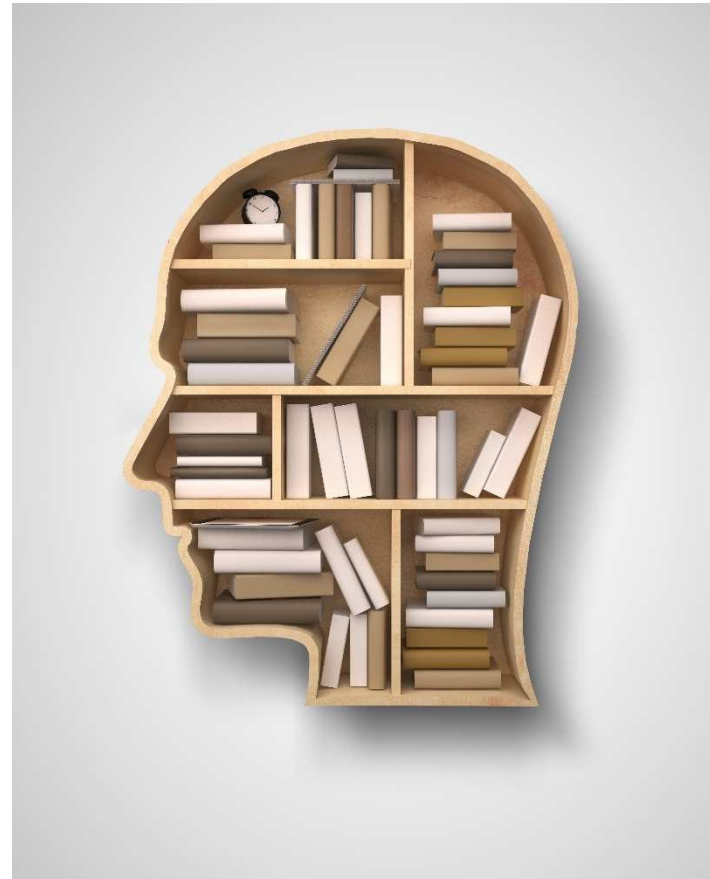

Safety and health at work is everyone's concern. It's good for you. It's good for business.

# What is OSHwiki?

# What is OSHwiki?

- A dynamic online web platform of OSH knowledge
- A new way of networking with the global OSH community
- A one-stop shop for OSH content

# What is OSHwiki?

**So far...**

- **Nearly 300 articles on OSH topics including:**
  - OSH management and organisation
  - Ergonomics
  - Psychosocial issues
  - Groups at risk
  
- **Contributors include:**
  - National organisations for occupational health
  - Leading research institutes

# Why OSHwiki?

# Why OSHwiki?

- Provides an authoritative source of up-to-date and in-depth information on OSH topics
- Promotes the role of the OSH community in building safe working environments
- Plays a key role in EU-OSHA's strategy to make Europe a safer, healthier and more productive place to work

# What can I do on OSHwiki?

# Discover!

## Discover a free source of OSH knowledge written by OSH professionals

The screenshot displays the OSH WIKI beta interface. At the top, the logo 'OSH WIKI' is accompanied by the tagline 'Networking knowledge' and the European Agency for Safety and Health at Work logo. A navigation bar includes links for 'page', 'discussion', 'view form', 'view source', and 'history'. On the left, a sidebar contains sections for 'navigation' (Main page, About the OSHwiki, EU-OSHA website, OSHwiki community, Recent changes, Help, Semantic search), 'articles' (Create new article), and 'toolbox' (What links here, Related changes, Special pages, Printable version, Permanent link, Cite this page, Browse properties). The main content area features the article title 'OSH in general' by Isabel L. Nunes, DEMI, Faculdade de Ciências e Tecnologia, Universidade Nova de Lisboa, Portugal. Below the title is a 'Contents [hide]' table of contents listing seven sections: 1 Introduction, 2 What is occupational safety and health? (with sub-sections 2.1 OSH legislation, 2.2 OSH is multidisciplinary, 2.3 Basic OSH concepts), 3 Managing OSH (with sub-sections 3.1 Prevention as key concept in OSH Management, 3.1.1 Control and prevention measures, 3.2 Risk assessment as the key action, 3.3 Awareness and worker participation in OSH), 4 Costs of work accidents and occupational diseases, 5 New risks and future OSH, 6 References, and 7 Links for further reading.

# Create!

## Create new content on OSH topics that interest you & share your knowledge

# Collaborate!

**Collaborate with the OSH community by editing OSHwiki articles**

# Share!

**Share OSHwiki articles within your organisation and peer network via the sharing tools**

**OSHWiki needs authors  
to grow.**

**Join the OSHwiki  
community!**

**Do you belong to a  
recognised professional  
or scientific OSH  
organisation?**

## You can...

- Sign up as an author
- Recommend it to your partners

# How can I benefit from joining the OSHwiki community?

# Knowledge development

**Be involved in knowledge development by contributing to articles**

**Help raise professional OSH standards for the benefit of everyone**

# Professional recognition

**Share your knowledge on  
certain OSH topics**

**Gain recognition in the  
global OSH community**

# Peer networking

**Connect with co-authors**

**Debate and collaborate on  
content with the OSHwiki  
community**

# Work synergies

**Link your OSHwiki contributions with your organisation's other activities**

**Re-use your OSHwiki content for other purposes**

# International reach

**OSHWiki is a global OSH community**

**Works in all languages**
