### **Yusen Logistics Named Top 100 3PL Provider by *Inbound Logistics* Magazine**

Secaucus, NJ: Yusen Logistics (Americas) Inc., a leading global third-party logistics provider, has been recognized as one of the Top 100 3PL Providers by *Inbound Logistics* for 2014. This is the fourth consecutive year that Yusen Logistics has received this acknowledgement.

"It is an honor to be on the Top 100 list again," says John Hurst, senior vice president and general manager, Yusen Logistics. "It's a testament to our associates and our culture of continuous improvement, as well as to our ability to deliver measurable value to our customers by providing best-in-class service through our global supply chain and logistics solutions."

"How do business logistics managers face the challenges of demand volatility while balancing the need to comply with increasingly complex customer requirements? Many turn to a world-class logistics partner such as Yusen Logistics," says Felecia Stratton, editor of *Inbound Logistics*. "Because of its successful track record in satisfying customers' needs to cut total cost of logistics ownership, while delivering the operational efficiency required to be globally competitive, *Inbound Logistics* editors selected Yusen Logistics as a 2014 Top 100 3PL Provider."

Each year, *Inbound Logistics* editors select the Top 100 3PL Providers by evaluating submitted information, conducting interviews and online research, and comparing that data against their readers' global supply chain and logistics challenges. *Inbound Logistics* editors selected this year's class of Top 100 3PLs from a pool of more than 300 companies. The service providers selected in the 2014 list are companies that, according to the magazine's editors, offer the diverse operational capabilities and experience to meet readers' supply chain and logistics needs.

### **About *Inbound Logistics***

*Inbound Logistics* is the leading trade magazine targeted toward business logistics and supply chain managers. The magazine's editorial mission is to help companies of all sizes better manage corporate resources by speeding and reducing inventory and supporting infrastructure, and better matching demand signals to supply lines. More information is available at [www.inboundlogistics.com](http://www.inboundlogistics.com).

### **About Yusen Logistics**

Yusen Logistics is a global logistics and transportation provider that delivers custom supply chain solutions through one of the largest air, ocean and land transportation networks. The company has over 440 offices in 38 countries, with more than 16,000 employees.
