Entrada Named to the Inc. 500 List of Fastest Growing Companies

INC. 500|5000 RECOGNIZES ENTRADA AS THE FASTEST GROWING COMPANY IN TENNESSEE, 281ST IN AMERICA

NASHVILLE, Tenn., August 21st, 2014 - [Entrada](#), a Nashville-based mobile health technology company, was named to the prestigious Inc. 500 list for 2014. Entrada was recognized as the fastest growing privately held company in Tennessee and number 281 nationally, based on revenue growth over three years. Entrada posted an impressive 1,628% revenue growth rate during that time period and continues to grow at a strong pace.

Led by CEO Bill Brown, Entrada has now experienced several years of expansion - growing its client base, improving its mobile documentation capabilities, and embarking on strategic partnerships with many industry-leading EHR and health IT vendors. Entrada now serves thousands of caregivers across the country, helping drive better compliance and productivity for doctors and staff using electronic health records.

“Our team has accomplished so much in the past few years, and I couldn’t be more excited that Entrada has made the Inc. 500 list for 2014,” stated Bill Brown, CEO of Entrada. “Our brand promise remains the same, driving caregiver productivity alongside tight integration with their clinical systems. Our clients rely on Entrada to improve their efficiencies and outcomes each and every day.”

Entrada was also recently honored as one of [Modern Healthcare’s Best Places to Work in 2014](#).

The winners of the Inc. 500|5000 award will be honored at the Inc. 500|5000 Conference and Awards Ceremony in Phoenix, Arizona on October 15-17th, 2014. To view a complete list of the 2014 Inc. 500|5000 winners [click here](#).
