

Harkcon, Inc. Awarded U.S. Department of the Interior, Bureau of Safety and Environment Enforcement (BSEE) Task Orders

Harkcon has been awarded two task orders under the Bureau of Safety and Environmental Enforcement (BSEE) Blanket Purchase Agreement (BPA) with ABS Consulting. BSEE works to promote safety, protect the environment, and conserve resources offshore through vigorous regulatory oversight and enforcement in a variety of areas including safety management systems and personnel training requirements.

On the first task order, Harkcon in partnership with ABSG and BSEE is providing expert assistance to construct Incident Command System (ICS) job aids related to offshore source control ICS positions, specifically the newly formed Source Control Support Coordinator and Source Control Branch Director positions within BSEE.

On the second task order Harkcon, in partnership with ABS Consulting and BSEE will provide expert knowledge and experience to develop a training and certification program that provides BSEE with the foundation for an industry driven training, testing, and certification program that has the potential to increase safety of personnel conducting work on the Outer Continental Shelf (OCS).

“Harkcon is honored to provide our ICS, training, and certification program development expertise in support of BSEE's efforts to increase the safety of personnel working on the Outer Continental Shelf,” said Keith Curran, Harkcon COO.

Harkcon, Inc. provides customized job aids and training materials to enable BSEE to meet their objectives. The subcontractor services comprise of the attending BSEE Initiated Offshore Drill, sourcing control consultations, constructing ICS job aids, and assisting BSEE with a certification program. These services will increase safety of the personnel who will be conducting work for BSEE on the OCS, as well as uncovering shortcomings, developments, and ideas for the work at hand.
