Spell Bound Formula claims to be specially targeted towards female relatives, friends and any girl who is failing in love and wants her prince charming to love her just as much. This has caught the attention of CaptureHisHeartReview101.com's Stan Stevenson, prompting an investigative review.

"Our Spell Bound Formula review shows that it will guide you on getting the man you love from scratch. The formulas and strategies on attracting men and the love of our lives come with digital manuals that can be viewed on a PC/Mac/iPad. One can also try the members area to log in and watch the tips," reports Stevenson. "Using the formulas and tricks learnt, or in other words, practical implementation, is absolutely in the hands of the user, which may vary from user to user depending on the efforts and enthusiasm."

Spell Bound Formula teaches women of any age to make the first move in a relationship or a date to make it work. It makes them realize that they are as beautiful as they think themselves to be. They learn exactly what to talk and what to do to attract men and act accordingly to attract almost any kind of man towards them by approaching them in the correct way, so that they come across as interesting. The program also comes with a few supplements such as digital manuals on how to talk to hot guys, age defying secrets, texting and screening.

"The hundred percent guarantee on this product obviously gives us a fair idea that the makers have complete faith in what they created. BuySafe- Spellbound Formula has partnered with BuySafe to offer a 3-in1 Guarantee, which means that all the transactions and associated exchange of money or information are safe," says Stevenson. "After the basic information is provided to the website, one can relax about the processing of the order since it is absolutely secure. A one-time association with these formulas gives you lifetime access to the tips and strategies that they will have to offer in future. You can therefore approach to men belonging to all age and category and emerge as a winner in getting attention or appreciation from them."

"Simple wearing minimal clothes or putting up a lot of makeup is not enough to win the hearts of boys. Spell Bound Formula obviously offers you the miraculous tips and ideas to have a perfect blend of sensible talking, situational dressing, makeup depending on the mood and all other small and big factors to win the heart of the guy to like. You will be amazed at how easy all these will become by using it. We strongly recommend it."
