

Bringing Brands And Fans Closer through award-winning social solution

Pixe Social is a tablet based social promotion solution enables brands to convert audiences into brand ambassadors at face-to-face events. Photos are posted to the brand's social media channels in real-time

- The total number of photos taken during the event
- The total number of people who like, share or comment on posts
- The total number of people who see the posts on Facebook
- The total number of times posts are displayed to Facebook users

"Pixe Social delivered tangible results at EXHIBITOR2014 both in terms of attendee engagement and providing high-level visibility for the EXHIBITOR Magazine brand."

–John Pavek, Exhibitor Media Group
