

FREEDOM CORE II™

Freedom Core II™ is the next generation from our popular Freedom Core line. It takes the essential elements from the industry's most robust security platform and assembles them into a compact, sensor based merchandising system. With **six new security sensors** and a **new 4-port alarm and power module**, Freedom Core II is the ideal, low cost solution specifically designed for multiple products within the retail marketplace.

FREEDOM CORE II™

SAFEGUARDS ANY RETAIL PRODUCT WHERE LOSS PREVENTION SECURITY IS REQUIRED
