

Metabolomics-2015

# 4<sup>th</sup> International Conference and Exhibition on **Metabolomics & Systems Biology**

Philadelphia, USA April 27-29, 2015

# Brochure

## **Conference Secretariat**

5716 Corsa Ave., Suite 110, West Lake, Los Angeles, CA 91362-7354, USA Ph: +1-650-268-9744, Fax: +1-650-618-1414, Toll free: +1-800-216-6499 Email: metabolomics.conference@omicsonline.us, metabolomics@conferenceseries.net

OMICS Group welcomes you to attend the 4<sup>th</sup> International Conference and Exhibition on Metabolomics & Systems Biology during April 27-29, 2015 at Philadelphia, USA.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Metabolomics & Systems Biology.

Metabolomics-2015 anticipates more than 300 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related OMICS Group Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "Metabolomics Technology and Omics Sciences - A Roadmap for Advanced Research Initiatives".

# Regards,

Metabolomics-2015 Operating Committee

### **OMICS Group Journals**

- 400 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 27000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook<sup>\*</sup>
- Publication immediately after acceptance
- Quality and quick editorial, review processing

#### **Key features**

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

## **OMICS Group Conferences**

- 300 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe

ADOUT

- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

#### **Key features**

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Special Issues All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by

The field of Metabolomics & Systems Biology is growing rapidly and its development is making tremendous impacts in biomedical research, ecology, pathological research, pharmaceutical industry, biomarkers and new initiative as clinical metabolomics. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

### Metabolomics-2015

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS Group Journals
  - Metabolomics: Open Access
  - Journal of Computer Science & Systems Biology
  - Global Journal of Technology and Optimization
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Conference brings together Scientific Researchers, Industrialist and delegates

# About Philadelphia

Philadelphia is the largest city in the Commonwealth of Pennsylvania, the second largest city on the East Coast of the United States, and the fifth-most-populous city in the United States. It is located in the Northeastern United States at the confluence of the Delaware and Schuylkill rivers, and it is the only consolidated city-county in Pennsylvania.

Philadelphia has a transitional humid subtropical climate and a hot semi-arid climate. The weather is hot in the summer, warm to cool winters subject to descending northern cold fronts in the winter with cool to cold nights, and warm and rainy in the spring and fall.

#### Venue

Philadelphia, USA

#### Important Dates

Abstract submission opens: May 01, 2014 Registration opens: May 01, 2014 Early bird registration: September 26, 2014 On spot registration: April 27, 2015
