

# Rustic Barnwood Fossilized® Wide T&G Bamboo Flooring

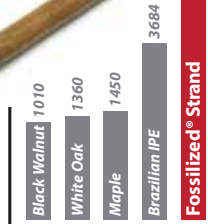

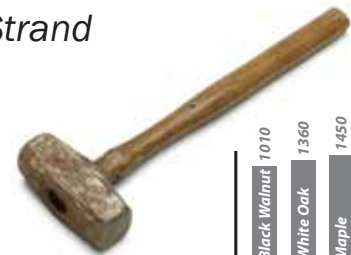

### A truly beautiful and unique floor.

Rustic Barnwood Fossilized® Bamboo Flooring has a rough reclaimed look and is textured with unique saw marks giving it a naturally aged rustic look and feel. Featuring a matte, low-gloss satin oil finish, Cali Bamboo's Rustic line of Bamboo Floors retain a simple and unpolished look perfect for natural home décor.

- Unique Saw Mark Rustic Texture
- Matte Low Gloss Satin Oil Finish
- Designed to install over any subfloor in 1/3 of the time
- Wider, longer planks give a cleaner more modern look
