IWCO Direct Engages Staff Management | SMX to Fill Jobs in Southwest Metro and Central Minnesota

Approximately 200 Temp-to-Hire Positions Now Available in Chanhassen and Little Falls

CHANHASSEN, Minn. – Oct. 8, 2014 – Staff Management | SMX announced it has been engaged by IWCO Direct to fill temp-to-hire assignments at the IWCO Direct facilities located in Chanhassen and Little Falls. The company is looking for approximately 200 full-time Machine Operators for day and night shifts.

“With the strong response to our enhanced digital platform combined with a strong new business queue, we are looking to expand our staff of Machine Operators,” said Steve Myrvold, Vice President of Operations at IWCO Direct. IWCO Direct is one of the nation’s largest providers of direct marketing solutions with a robust suite of conventional and digital presses and mail manufacturing equipment.

“Staff Management | SMX is pleased to work with IWCO to connect Minnesota job seekers with these great temp-to-hire opportunities,” said Marcie Smith, Vice President of Staff Management | SMX’s Solutions Deployment Group. “To make it easy to apply, we’ve created a variety of ways for interested candidates to connect with our local teams. We encourage anyone interested in one of these job opportunities to contact us today.”

Staff Management | SMX accepts online applications at <https://apply.smjobs.com>. When applying online, Chanhassen candidates should use job code 7v3s and Little Falls candidates should use job code 7v4s. Applications are also accepted in person Monday through Friday from 8 a.m. to 5 p.m. at 1910 Haven Rd. in Little Falls and 1000 Park Rd. in Chanhassen. Candidates can also apply at the Little Falls Workforce Center on Tuesdays from 12 p.m. to 4 p.m.
