### **Hunt Telecommunications Recognized as Fast-Growing Company**

*Inc. 5000 Names Hunt Telecommunications one of the Fastest-Growing Companies in the Nation and in Louisiana*

October 9, 2014 - Hunt Telecommunications, a Louisiana-based telecommunications company that provides fiber telephone, Internet, and data services, was named one of the fastest-growing companies in the nation and in Louisiana, according to Inc. 5000.

Inc. 5000 ranked Hunt Telecom as No. 1441 of 5000 fastest-growing private companies in the nation and at No. 14 of fastest growing private companies in Louisiana.

Inc. 5000 tracked Hunt's growth from 2010-2013 and reports that Hunt currently has 62 employees and added 46 jobs over the 3-year span. The company showed a growth of 296%.

"Hunt Telecommunications is honored to receive both state and national recognition," said Jason Hunt, Chief Executive Officer. "Our employees deserve much credit for their hard work in helping Hunt with its continuous growth and success in Louisiana."

Hunt's core fiber Internet and hosted voice services are the key components to its growth in services to Louisiana businesses.
