INTRODUCTION

The silver metallic US built 50' Marquis Sport Bridge designed by Nuvolari Lenard is one of the most popular sport yachts seen in nearly every port worldwide. A clever three stateroom/two head layout and spacious salon, aft deck and fly bridge offers plenty of room for owners and guests. The overall finish quality is excellent and only the best vendor materials are used.

*Just *180 engine and 75 generator hours, most of them in fresh water.*

Preliminary listing

VESSEL WALKTHROUGH

The gorgeous satin finish cherry wood is very eye pleasing throughout the taupe themed decorator interior. The spacious salon blends nicely when the salon doors are fully opened to the aft deck and the aft deck seating is hydraulically extended at the push of a button. This feature uniquely allows owners and guests to have the best of both worlds.
