The Pebble Beach Explorers package lets children eat and play for free this winter

PEBBLE BEACH, CALIF. (October 16, 2014) – As the holiday season draws near, Pebble Beach Resorts invites families to celebrate and create new memories of this special time of year with the Pebble Beach Explorers package. Pebble Beach Explorers is designed to provide even the resort’s youngest guests a memorable seasonal experience thanks to a family-focused offering that utilizes the amenities of both the resort and the Monterey Peninsula. From a mouth-watering Thanksgiving dinner to tree-lighting ceremonies, a Teddy Bear Tea, carolers and a giant gingerbread house, a Pebble Beach experience makes for a unique setting to create family holiday traditions.

Already known as a premier destination for golfers, the Pebble Beach Explorers package affords endless hours of family fun, especially during the holiday season. The adventure begins at check-in at The Inn at Spanish Bay, when kids receive a scavenger hunt map to explore the hotel and learn about its storied history. Young guests will then be treated to a holiday welcome gift while seated by their cozy in-room fireplace. A sunset serenade by the bagpiper – a favorite attraction for guests of all ages – caps off an unforgettable day on one of the world’s most scenic coastlines.

The Pebble Beach Explorers package is designed for children ages 12 and under to eat and play for free with paying adult.* The package includes:

- One night stay at The Inn at Spanish Bay
- Welcome Scavenger Hunt

- Complimentary golf for ages 12 and under at the par-3 Peter Hay Golf Course
- Complimentary tennis for ages 12 and under at The Spanish Bay Club

The Pebble Beach Explorers package also embraces the family-friendly Monterey Peninsula, offering two-day tickets for the price of one for the entire family to the world-famous Monterey Bay Aquarium. Other family activities in the area include whale watching on Monterey Bay, hiking Point Lobos State Reserve and touring Cannery Row. These, and many other ideas, will be featured on the Pebble Beach website, within a new Pebble Beach Explorers section that launches in late October.
