

1:5 HDD Copy Cruiser **HIGH-SPEED WL**[™]

Product Features

- Quickly clones up to 5 or thoroughly sanitizes up to 6 HDDs simultaneously
- Computer-connected, real-time progress monitoring and logging
- Logging of the process executed including sanitization method (7 Pass, 3-Pass, 1-Pass Overwrite, Secure Erase), model name, serial numbers of drives, speed and capacity
- Transfer rates up to 120 MB/S
- Third-party certified 7-Pass wipe sanitization function, plus Secure Erase, 1-Pass and 3-Pass with Verify
- LED indicators on each HDD bay confirm successful completion for the hard drive
- Supports 3.5" SATA HDDs and Solid State Drives (SSDs)
- Supports 2.5" SATA HDDs and SSDs with optional Aleratec adapters (P/N 350106), not included

Real-time monitoring and Logging

UP TO **120 MB/S DATA TRANSFER SPEEDS**

Advanced Duplication and Sanitization Functions with Logging and Monitoring

Meet the next generation of hard disk drive duplicator and sanitizer with logging capability from Aleratec! This stand-alone, industrial-strength hard disk drive duplicator creates perfect clones of up to 5 hard disk drives and sanitizes up to 6 hard disk drives for extremely fast and efficient hard disk drive management and deployment. The Aleratec 1:5 HDD Copy Cruiser High-Speed WL also includes computer-connected monitoring for observing job progress, speed and capacity as well as the ability to create log files of activity, hard disk drive model names and serial numbers so you can back up your duplication/sanitization efforts with meticulous record keeping.

1:5 HDD Copy Cruiser High-Speed WL™

7-pass Overwrite Independently Verified

The Aleratec 1:5 HDD Copy Cruiser High-Speed WL includes a Certified Sanitization label, a credential given to Aleratec products by a leading forensic data recovery company that confirms that all digital data stored on hard drives sanitized by the 7-pass overwrite function is forensically unrecoverable and meets the criteria set forth in NIST 800-88.

Duplication

The 1:5 HDD Copy Cruiser High-Speed WL performs a sector-by-sector copy from a single source hard disk to up to 5 target drives, regardless of brand, operating system or format of the drives. The copy includes partition and boot sector information for a perfect clone.

Technical Specifications

Power Requirements: 100V-240V AC, 50/60Hz

Dimensions (LxWxH): 430 mm x 190 mm x 355 mm
16.9" x 7.5" x 14"

Operating Temperature:
41°F to 122°F / 5°C to 50°C

Humidity:
15% - 80% RH

Weight: 10.4 kg / 23 lb

Warranty: Limited 1 year parts and labor

Country of Origin: Assembled in the USA from components sourced globally

UPC Code: 808068-01008-1
