MICROSOFT DYNAMICS NAV 2015 NOW IN THE CLOUD THROUGH ROSEASP

Microsoft Dynamics SMB Cloud Partner of the Year Opens Trials for Microsoft Dynamics NAV 2015

SAN DIEGO, Calif. (October 23, 2014) New product features in [Microsoft Dynamics NAV 2015](#) are now available for free 30-day trial through RoseASP, a top provider of hosted enterprise resource planning (ERP) software. In October, Microsoft released Dynamics NAV 2015 which includes new features and enhancements which are now being delivered through RoseASP's cloud environment and available for trial at www.goERPcloud.com.

"The Microsoft Dynamics NAV 2015 release will dramatically change the Dynamics experience for NAV users," said Linda Rose, founder and CEO of RoseASP. "The entire line of Microsoft Dynamics ERP solutions is turning toward the cloud first, mobile first world and we aim to stay at the leading edge of that movement. The added agility and functionality of Dynamics NAV 2015 will greatly improve the Dynamics user experience and we are looking forward to working closely with our Partners to deliver the solution to new customers and existing customers who choose to upgrade their NAV systems."

Microsoft Dynamics NAV 2015 includes enhancements to some of the most popular tools inside NAV along with improved device support and functionality for mobile users and better integration with Microsoft Office 365 to empower Cloud collaboration. Other enhancements in Microsoft Dynamics NAV 2015 include improved cash management tools, improved planning and forecasting through Power Business Intelligence and improved Document Reporting to streamline how reports are built and customized.

In addition to supporting Microsoft Dynamics NAV 2015 in the cloud, RoseASP also offers businesses an opportunity to test drive the new feature enhancements through [goERPcloud Dynamics NAV free 30 day trials](#). The ability to test the drive software before purchase helps businesses better evaluate the solution for their business needs.
