### Take Control Of Your Shipments From China.

AGS has created an integrated supply chain solution that provides an extensive global network to streamline product flow for direct and reliable delivery. Services include, but are not limited to, securing cargo at foreign origin, air or ocean freight, U.S. customs brokerage service, U.S. distribution/warehousing and final mile white glove delivery - all visible via our web based tracking system - [MyAGS.com](http://MyAGS.com).

**AGS - an end-to-end solution managing the entire supply chain process!**
