COMPANY PROFILE

Langlade Springs, provides high quality natural alkaline mineral spring water to customers through private label and branded programs. Centrally located in Northern Wisconsin, we manufacture and bottle right at the source to ensure ease of shipping across the U.S. and internationally.

PREMIUM PURE WATER

Our water offers a refreshing taste with one of the highest natural 7.8+ pH factors available, so it's naturally healthy. Ice Age glaciers created the aquifer that produces our water. Springs are monitored constantly to ensure initial water purity remains unchanged. Inside our plant, water is UV treated and micron filtered to ensure the highest quality level.

PRIVATE LABEL SPECIALISTS

Complete cold-fill custom mixing, private label and co-packing capabilities allow us to package specialty water or beverages by the truckload. Customers can choose from multiple sizes of single serve 100% recyclable PET bottles as well as an eco-friendly ENSO™ bio-degradable option.
