### **Ness Turf Equipment Introduces the Toro Multi Pro 5800** *Precise, Innovative, Reliable Turf Sprayer*

---

**Kapolei, HI (November 04, 2014)** – Ness Turf Equipment, the premier distributor of ag and turf solutions in Hawaii and the Outer Islands, announces the expansion of its Toro® product line to include the Toro Multi Pro 5800. The 300-gallon sprayer has been engineered with the most advanced sprayer technology available to deliver the best results possible.

Jason Suzuki, Sales Representative, says, “The Multi Pro 5800 features Toro’s exclusive, six-diaphragm pump which enables twice the flow for turf spraying. “Suzuki continues, “The all new Multi Pro 5800 also features the updated Pro Control XP computerized controller that allows you to adjust spray levels from start to stop.”

Leonard Smith, General Manager, adds, “There is no other sprayer like the Multi Pro 5800 available on the market. This highly versatile sprayer is compatible with a wide range of attachments and accessories that are designed to maximize your productivity.” Smith concludes, “Best of all, the Toro Multi Pro 5800 is equipped with the quality you expect from the market leader in turf sprayers.”

Contact Leonard Smith, General Manager, at 808.486.8301 or lsmith@nessturf.com for more information on the Toro Multi Pro 5800.
