# Author Bio

Liz Miesnik has always been an avid animal lover. Growing up on a farm in central Florida, she spent much of her time surrounded by her dogs, horses and cats. Her love for these animals led her on a path throughout her life working towards making a positive difference in their lives and the lives of other animals.

Volunteering with Heifer International, N.E.A.D.S. (Dogs for Deaf and Disabled Americans) and fundraising for the Sterling Animal Shelter, and currently involved with the Humane Society of Eastern Carolina, Liz is hoping to bring to light the issues currently facing our shelters and rescue organizations, and working towards making a change.

Wanting to give back more to the community and other rescue organizations, the vision for "A Second Chance... was born. Liz plans to further her writing to include other animal rescue groups and sanctuaries throughout the country. Currently residing in Greenville, North Carolina with her family and rescue animals

*A Second Chance...An Inspirational Journey Through the Eyes of an Animal Shelter Volunteer* was created to give back to those that work and give unconditionally towards making a positive change in animal welfare and rescue. With beautiful photographs and quotes from some of the greatest names in history including Napoleon Hill, Mark Twain, Buddha, Vincent Van Gogh, Eleanor Roosevelt, Maya Angelou and many more, this book will enlighten your mind and lift your spirits.

This book was created to inspire, to let the reader see what is in the eyes of the animals in our local rescue organizations. This book was not intended to be depressing, but on the contrary, to inspire and motivate! You will see it in the photos

of the volunteers, staff, foster families and others who give their time and love to these animals, you will see it in the faces of the dogs and cats in their care. This book will touch the hearts of many and is a beautiful depiction to animal lovers, inspirational, self-help and motivational readers alike.

Yes you can make a difference in the lives of these animals, only takes a moment to open your heart.

Until they find their forever home...
