Milgard Mobile Showroom Goes on Tour in Texas

Arlington, TX (November 4, 2014) – Milgard announces a new mobile showroom that hits the road to tour Texas beginning this week.

The 24' mobile showroom features two doors --- an Essence Series® swing door and a Tuscany® Series sliding glass door --- and 14 different windows. Seven product lines in all are featured including all glass options for a hands-on showroom experience. There is also an interactive SunCoatMAX® display depicting how Low-E glass feels to the touch compared to regular glass.

Milgard designed the showroom to provide consumers and customers the opportunity to “see and touch” the Milgard craftsmanship firsthand. Windows and patio doors are a major investment in the home and a showroom experience is invaluable to the decision making process.

Homeowners, contractors, builders and architects are invited to explore the showroom as it travels across Texas over the next few weeks.

The current schedule for the trailer is:

November 4th – In Houston for an open house at Grogan Building Supply. Homeowners and builders can stop by, enjoy lunch and tour the trailer. On the 5th, the trailer will be stopping at various Milgard Houston Dealers.

November 10th through 16th – In Austin at TreeHouse, a home and garden store specializing in sustainable products. Homeowners and builders are more than welcome to stop out at TreeHouse and tour the Milgard mobile showroom.

November 19th - In Kerrville at Foxworth Galbraith for a Builder and Architect event co-hosted by Milgard and Foxworth Galbraith.

For additional questions and to inquire on the mobile showroom schedule, consumers can reach out to Milgard by contacting darcyoverby@milgard.com.
