

# WE'VE DEDICATED \$150 MILLION TO WORKER TRAINING.

IN WISCONSIN® OUR WORKFORCE IS READY  
TO WORK AS HARD AS YOU DO.

We're doing more than training our workforce, we're preparing highly technical workers to be experts in their fields. That way, you can be the best in yours. With \$150 million invested in workforce training, we're making sure our next generation of workers is qualified and ready to jump in where you need them. Because a state invested in its workforce is a state invested in its businesses and their growth.
