Virtually Staged listings STAND OUT online

»»» **Over 90% of buyers look at homes on the internet.**

It's critical to make a strong first impression online. Virtual Staging will help you do just that.

»»» **It is estimated that only 10% of home buyers can visualize the potential of a home.**

That means 90% need the help of Virtual Staging.

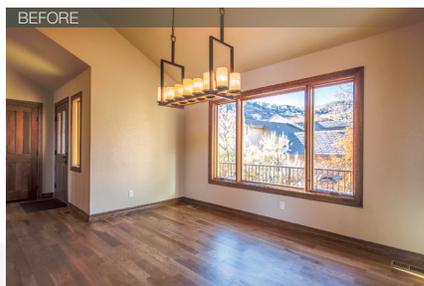

»»» **Virtual Staging is less expensive than traditional staging.**

And you don't have to worry about wall dings or scratches!

»»» **Virtual Staging is so easy!**

Start with a vacant photo, choose your furnishings from Obēo's extensive library of furniture collections, and within 3 days Obēo will provide you with a beautiful, staged high-resolution photo.

\$75 per scene
