**Brady Client Services Announces “Under Lock & Key: The Most Important Piece of Your Lockout Program” Webinar**

*Learn why tailoring your program to your employees is essential to lockout success*

**MILWAUKEE, Wis.** (December 2, 2014) — [Brady](http://www.bradycorp.com) (NYSE:BRC), a global leader in industrial and safety printing systems and solutions, today announced that its [Client Services](#) group and *Safety+Health Magazine* are presenting the “[Under Lock & Key: The Most Important Piece of Your Lockout Program](#)” webinar. This free, informational webinar explains how a successful lockout program goes beyond regulatory requirements to focus on employee understanding and incorporating lockout tagout into your safety culture.

Lockout Tagout (1910.147) continues to be one of OSHA’s Top 10 Most Frequently Cited Standards. This is because companies may meet basic compliance requirements, but barriers occur between the elements of their lockout tagout program and the employees responsible for performing the tasks. Learn how simplifying processes and implementing a system-based approach can help your company achieve compliance and sustainable employee engagement.
