

# The Addictive Puzzle Fun of Unblock Me by Kiragames Co., Ltd.

## Now Optimized for Ultrabook™, Inspired by Intel®

The development team at Kiragames has collaborated with Intel® to optimize its popular gaming app Unblock Me for Ultrabook™, inspired by Intel®. Ultrabook™ 2-in-1 device users can now both have fun and stay mentality fit while participating in the stimulating puzzles provided by the app.

Unblock Me presents players with the challenge of unblocking the red block out of the board by sliding the other blocks out of the way in as few moves as possible. There are four difficulty options ranging from Beginner to Expert, and players can choose from Relax Mode or Challenge Mode. In total, there are unique 14,500 puzzles, providing countless hours of thought-provoking play to users. A ranking system keeps players challenged, and they can also keep track of their progress. A handy hint system is available to help players along the way in the event they get a little stumped.

## An Endless Mental Challenge Available on Ultrabook™ 2-in-1 Devices

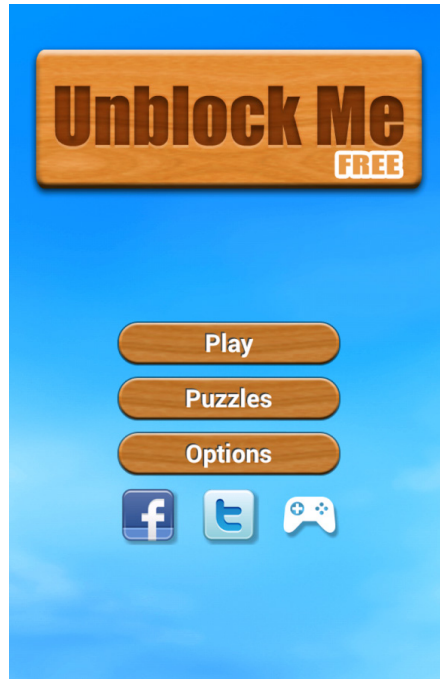

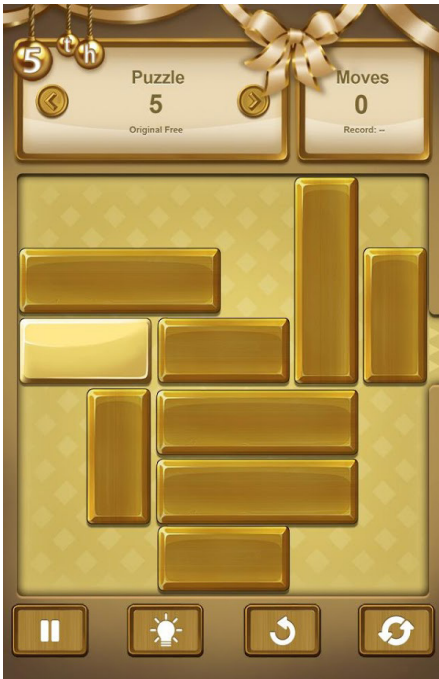

The Unblock Me app is available for immediate download to Ultrabook™ users. Let the fun begin as they participate in tough puzzles that offer vivid graphics brought to life on the device. The gaming fun and all of its benefits can be fully appreciated on a device with such a high-performance platform. The sensitive touchscreen allows players to completely enjoy the interactivity of the vast number of interactive puzzles.
