# AXELBAND Magnetic Bar Gear

INNOVATIVE BAR TOOLS DESIGNED TO REVOLUTIONIZE THE WAY SUPERIOR PERFORMANCE IS DELIVERED!

[kickstarter.com](https://www.kickstarter.com)

AxelBand Magnetic Gear was originally created to meet and satisfy the needs of servers and bartenders across the world. With a desire to work more efficiently, and provide bar/nightclub/restaurant patrons with a higher level of service, concept creator Axel Ballesteros recognized a need in the industry. A need for bar tools that would help food & beverage personnel improve their customer's experience while increasing productivity and sales.

The true magic of the Axelband Magnetic Bar gear relies on its uses beyond a particular niche market. the curious appeal of the magnetic mechanisms that give the Axelband Magnetic Bar Gear its uniqueness make it a utility gadget that can be utilized and showcased by virtually anyone who wishes to experience firsthand the future in innovating tooling design; wether this occurs at your next holiday party, birthday, social gathering or even at a work event, you will surely be able to wow your guests with a device that is synonym of fun, creativity, and functionality.

**"Superior service and performance can only be achieved by having access to the right tools, are you ready to experience the future of bar tending and beyond?"**

*-Axel Ballesteros*
