

All of these years you've
been told to be careful not
to write on your desk...
well, we say "MarkIt Up!"

"The MarkIt Up desk is the most
versatile product our industry
has seen to date. It will truly
change the way groups work
and collaborate everyday."

Overview

This electric adjustable height desk features an exclusive flip-up dry-erase board work surface. Write on your desktop with any dry or wet erase markers and then easily flip it up to share your work. Mark It Up™ eliminates the need for paper, enhances collaboration, and provides the health benefits associated with standing desks. Plus, this 3-in-1 workstation, which serves as a sitting desk, standing desk, and dry-erase board, saves you space and money!

There is no other product that can allow you the functionality of an electric sit stand workspace and the creativity of showing off your ideas with the simple flip of a dry-erase desktop.
