

**Stonegate Global Releases its Client Case Study Series, *Innovative Alternative Fund Solutions<sup>SM</sup>***

December 9, 2014 – FOR IMMEDIATE RELEASE

**NEW YORK: Stonegate Global Fund Services** has released its Client Case Study Series, entitled *Innovative Alternative Fund Solutions<sup>SM</sup>*. The Series highlights various alternative investment fund projects on which the firm is currently working or has recently completed. The Series features fund projects in all asset classes across the globe, including domestic and offshore hedge funds, venture capital funds, private equity funds, oil and gas funds, real estate funds and other alternative investment fund products.

Stonegate Global provides domestic and offshore fund formation and fund administration services to investment management professionals, family offices, and other large institutional clients.

William Chong, Head of Alternative Fund Services for Stonegate Global stated, "Stonegate Global is an innovative leader in the alternative investments industry. Our *Innovative Alternative Fund Solutions<sup>SM</sup>* Series is another channel through which Stonegate can communicate various possibilities in terms of fund structures, unique investment niches and the myriad ways in which Stonegate adds tremendous value to our clients."

The series is part of Stonegate's initiative to share with the alternative investments community the latest innovations in fund formation, fund structures, fund administration, prime brokerage, global fund marketing and capital raising. The firm is committed to providing the highest level of expertise and client service to alternative investment managers with new and innovative ideas. The Series will include highlights, unique structural components, global marketing strategies, and other key elements involved in various client fund projects.

John McCorvey III, CEO of Stonegate Global added, "We take much more of a strategic business advisory role with our clients by creating innovative fund structures that consider each client's current and future needs. When clients come to us, often they have an end in mind and we create a road map for them to achieve their objectives." Mr. McCorvey added, "The theme of our *Innovative Alternative Fund Solutions<sup>SM</sup>* Series is based on an old Chinese Proverb - "To know the road ahead, ask those coming back." We help our clients to understand what's around the next corner by leveraging our depth of experience in global, multi-asset class fund formation, fund administration, prime brokerage, capital raising and global fund marketing. We evaluate all aspects of each project to select the most appropriate jurisdiction, customize various structural elements, implement multi-jurisdictional tax mitigation strategies, develop global marketing campaigns, and provide other critical value-added services so that we can assist our clients in creating and running successful alternative investment fund businesses."
