ABOUT PURE BARRE

In 2008, Marni took her first Barre class and was immediately intrigued. In 2009, she opened Pure Barre Brentwood, the first Los Angeles-area location, and together with Kayla is now the proud co-owner of the Brentwood, Santa Monica, and Woodland Hills branches. She actively participates in the growth of the Pure Barre brand yet still finds time to spend with her husband and daughter.

Kayla Allen moved to Los Angeles from Vancouver, B.C. in 2009. She was hooked on Pure Barre immediately. The music, the community, and being able to feel her muscles again after having a baby was exciting and inspiring. But being a client just wasn't enough! In 2013 she became the co-owner with Marni Chaikin and is more in love with Pure Barre than ever before.
