

Game Description

Shake, Tap, Flip, and Dance with your device in **ShakePop**, a party game in motion.

ShakePop is a modern mash-up of Simon, Bop It, Bounden, and more. Play with one of four characters and follow their moves for as long as you can without making a mistake! Go for the high score and unlock amazing new signature moves. You've never partied like this before!

Designed and developed by New York City mobile game vets FreshPlanet, **ShakePop** turns an iPhone or iPad into the perfect party game for the holidays.

Key Features

- Dozens of moves to unlock including Swipe, Lift, and Jump!
- Four characters to play with, each with their own voice, design, and moves to unlock!
- Free to play with IAP for new characters.
- Compare high scores and earn bragging rights on Game Center
