

Grants Management

The Versaic Grants Management application is a comprehensive solution for corporate grant managers and foundations that streamlines the full grants lifecycle from requests through process management and reporting. Versaic's client service team draws on a wealth of experience and best practices to deliver fast implementation and time to value so you don't waste time or opportunities. With Versaic, you're not just processing grant requests. You're making a lasting impact on your organization and the community. Without breaking a sweat.

Benefits of Versaic

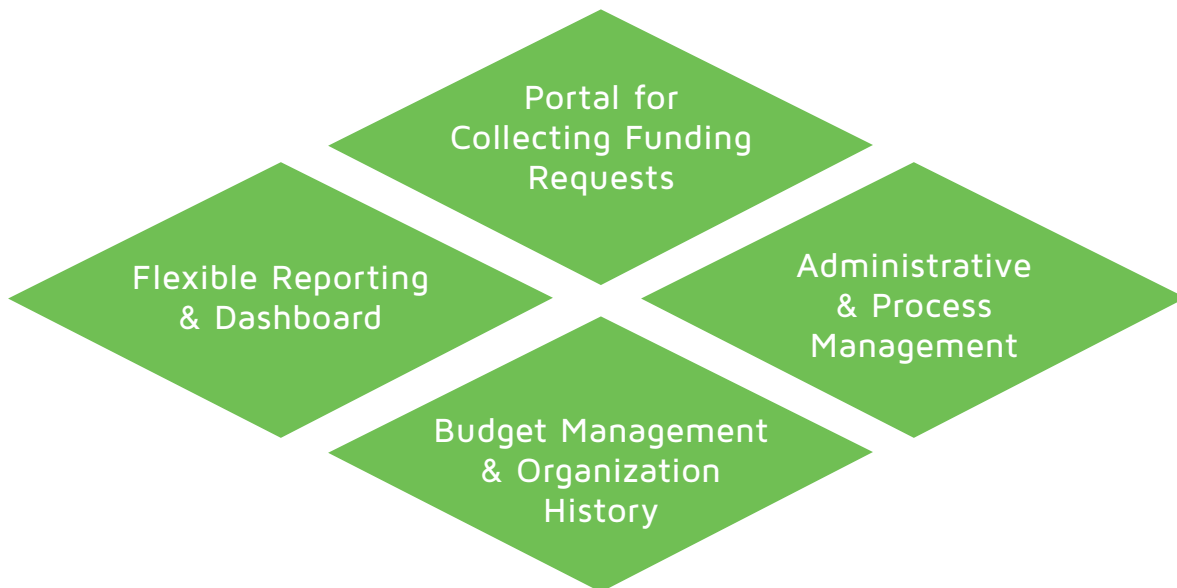

- **Better align your grants program with corporate objectives and enhance your brand**
- **Engage more effectively with your community and stakeholders in a way that is accessible, transparent and responsive**
- **Make better philanthropic investment decisions and gain insights about your impact on the community**

The Safeway Foundation donates an average of \$200 million in grants and products annually. In a matter of weeks, Versaic developed a customized grants management solution that enables The Safeway Foundation to manage all its grants and philanthropic initiatives. Versaic exceeded expectations and continues to help Safeway enhance its already positive community image and impact.

Key Capabilities from Versaic

The grants management lifecycle includes many moving parts and endless opportunity for things to fall through the cracks. What grant managers need is an effective solution that makes it simple to collect the right information, route requests through the organization for approval and payment, and report on the program results as needed. You should have every bell and whistle you want without anything excess to get in the

way. Built on Versaic's patent-pending technology, our solution is endlessly customizable so you get exactly the mix of features, functions and tools you need to manage your grants process. If your requirements or process changes, our clients service team keeps your system up to date and working exactly the way you need it to work. **No fuss, no fire drill. It's that easy.**

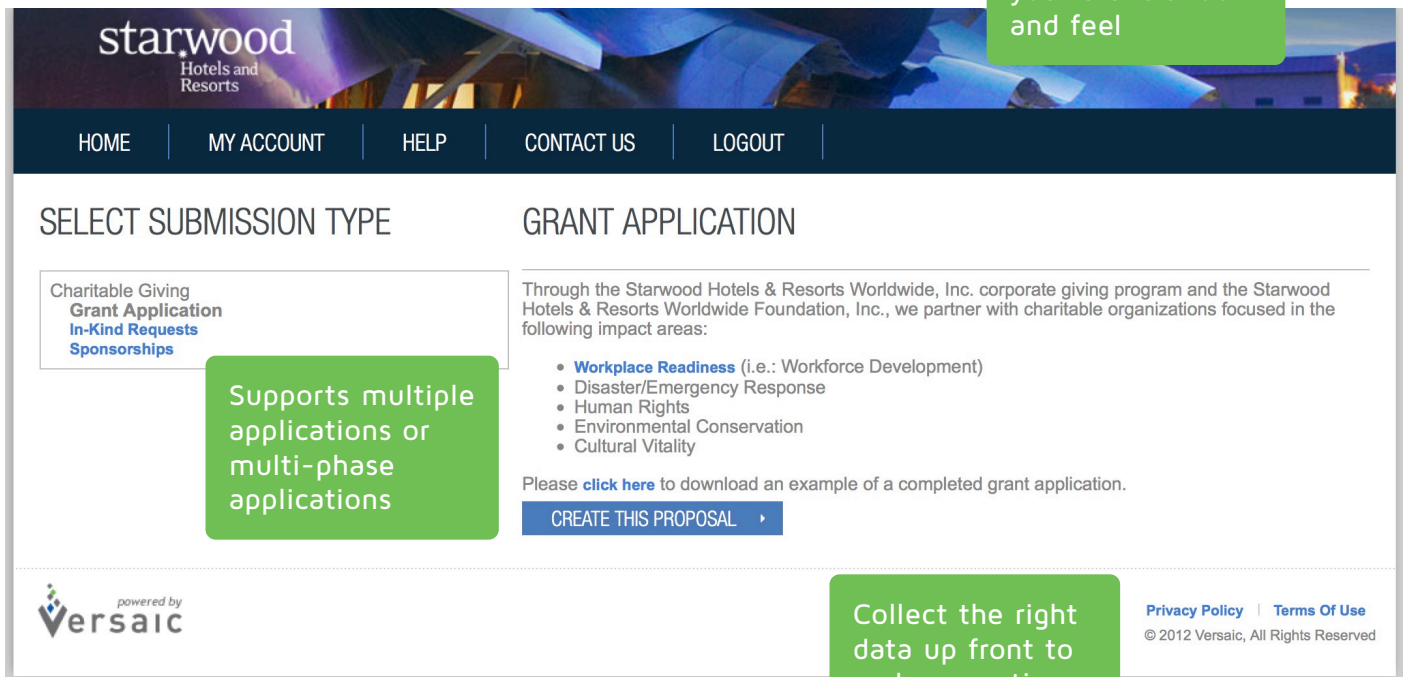

Portal for Collecting Funding Requests

Custom-branded portal communicates your specific guidelines for support and collects exactly the information you need to make decisions about proposals. Submitters are well-supported at every step.

Requests are routed for review based on your criteria. The Versaic system facilitates impact reporting with timely and automated data collection.

Portal reflects your brand's look and feel

The screenshot shows a web portal for Starwood Hotels and Resorts. The header includes the Starwood logo and navigation links: HOME, MY ACCOUNT, HELP, CONTACT US, and LOGOUT. The main content area is titled "GRANT APPLICATION" and features a "SELECT SUBMISSION TYPE" section with options: Charitable Giving, Grant Application, In-Kind Requests, and Sponsorships. A green callout box highlights "Supports multiple applications or multi-phase applications". The "GRANT APPLICATION" section includes a description of the corporate giving program, a list of impact areas (Workplace Readiness, Disaster/Emergency Response, Human Rights, Environmental Conservation, Cultural Vitality), and a "CREATE THIS PROPOSAL" button. A green callout box at the bottom right states "Collect the right data up front to make reporting easier". The footer includes the Versaic logo, "powered by", and links for Privacy Policy and Terms Of Use, along with a copyright notice for 2012 Versaic.

OUR MISSION
The Safeway Foundation supports causes that impact our customers' lives. Our stores provide the opportunity to mobilize funding and create awareness in our neighborhoods through our employees' passion, partnerships with our vendors, and the generous contributions by our customers. We focus on giving locally in the areas of health and human services, hunger relief, education and helping people living with disabilities.

HEALTH AND HUMAN SERVICES
We sponsor organizations that are engaged in health research and nutritional programs. The Safeway Foundation's contributions finance medical research and programs that improve the lives of people living with cancer and neuromuscular diseases. Since 2001, we have donated over \$200 million towards breast cancer research alone. We believe that our careful allocation of funds

HUNGER RELIEF
As one of the largest grocery retailers in North America, we find that supporting hunger relief programs is a natural fit for us. We're proud to be one of the largest contributors to food banks and feeding programs in the neighborhoods we serve. In 2012 alone, Safeway and The Safeway Foundation donated nearly \$120 million in food products to hunger-relief programs in neighborhoods around the nation. Many of our local divisions contribute through their own signature
