One Simple Solution to Help You Grow

Introducing Higher Logic's low cost solution, built for growing associations and businesses looking for an integrated and simple solution to build a compelling website.

We can help you design and manage a fully responsive website, engage your members with community tools and grow your organization by removing technical challenges and empowering your entire team to be part of your online presence. Let us provide the solution you need so that you can focus on your passion. Growing your success is what we do—it's our passion.

Grow bigger, faster with simple CMS tools built for non-technical users.

Build a better website with full service website design and development capabilities.

Connect with your members using our built-in, state of the art community platform.

Transform your web presence with a professionally designed website, enhanced with state of the art community capabilities.

Higher Logic Small Organization Solution

One Simple Solution to Help You Grow

Take control of your online presence with Higher Logic's Small Org Solution and get a professionally designed website, secure hosting and user-friendly CMS—all with a built-in state of the art community platform.

Our Small Org Solution will help you engage with your members and efficiently manage all your website needs in one place, while you can spend more time on what matters most—growing your organization.

Key Features:

CMS

Simple and efficient, our CMS makes it easy for non-technical users to manage website content.
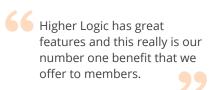

Mobile Access

Your members get full access any time, from anywhere in the world, on any device.

AMS Integration

Higher Logic Small Org Solution seamlessly ingrates with common AMS platforms.

AWS Hosting

We provide an extremely scalable, highly reliable Amazon Web Services cloud infrastructure.
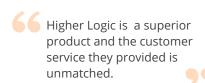

Community Tools

Higher Logic offers a full suite of community tools to help you drive engagement.

Responsive Web Design

A fully designed website adapts to virtually any context in which it's viewed to deliver a compelling user experience.

" Higher Logic has great features and this really is our number one benefit that we offer to members. "

~ Lisa Marie Romano
Membership and Marketing
ASCRS/ASOA

" Higher Logic is a superior product and the customer service they provided is unmatched. "

~ Thomas Stefaniak
